

**Will the Ungodly, Rich,  
And Powerful...**

**Escape America in event  
of Catastrophe or Judgment?**

## The Watchman Is 21.6 Dana G Smith

Escape is in! No doubt in the many years of warning of judgment upon America as a Watchman, things have changed. But one portion has not changed. This is the idea that you can actually escape judgment. Especially if you have money and lots of it, then there are many places that look real good to get away from it all. Literally!

***The ultra-rich people of the world know it too, and many have begun preparations to “bug out” in the event of some catastrophe. They have bought survival gear, land, farms, nuclear proof homes, deluxe underground bunkers, and mini-subbs to fully prepare themselves. They also know something is on the horizon, but they’ are not the only ones watching and waiting.***  
***Rich and Powerful Running Scared***

Money can buy anything they say and those with plenty of it are planning their escape from America!

Escape is in! No doubt in the many years of warning of judgment upon America as a Watchman, things have changed. But one portion has not changed the idea that you can actually escape judgment. Especially if you have money and lots of it, then there are many places that look real good to get away from it all. Literally! The economic boon of being able to provide a safe haven away from that worried apocalypse is now in vogue. But the reality is, escaping judgment; especially by the wicked, unbelievers, and those who are supposed to be Gods people but slipped off that list, is popular. However as we shall find out, to slip out of the clutches of God Almighty is not so easy.

### **Ungodly, Rich, Powerful: Biblical Charge to the Rich**

The Apostle Paul spoke directly to Timothy and said to tell the rich in this world, “be not highminded, nor trust in uncertain riches, but in the living God.” The rich, Paul told Timothy should be doing “good works, ready to distribute, and willing to communicate.” They were not to be segregated from it all, selfish, abiding in their own castles of plenty while the world goes to hell. Even in Paul’s day we find that the Apostle looked to tell the Rich they were to be

“laying up in store for themselves a good foundation”, this would be for the time when they would stand before God. In the realm of judgment, chaos, and the fact that many uncertain things happen in this old world; that could be anytime. Remembering Pompeii, we saw that people were literally frozen in death throes because the destruction came so quickly.

The rich were to be laying a foundation not of wealth, but of good works and charity, with Love of God! The context of this directly implicates the rich that they were to consider that just because they had riches, this would not alleviate the judgment of God one bit which would come upon them!

### **1Ti 6:17-19**

**(17) Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy;**

**(18) That they do good, that they be rich in good works, ready to distribute, willing to communicate;**

**(19) Laying up in store for themselves a good foundation against the time to come, that they may lay hold on eternal life.**

*There have always been those that are preparing for doomsday, judgment day, and imminent chaos coming on America, but will those who have money be able to buy themselves out what will happen to the rest of humanity who cannot afford such things?*

Moreover we find that James also warns of the miseries to come on the wicked and the rich, their gold and silver will not deliver them from Gods judgment! This portion from James is on the rich men who were told to “weep and howl”, because of the miseries which would come upon them. It is a famous passage and one used by many who write on such things to warn those who are rich and anti-God or at the least careless in their life. The thought that riches are “corrupted” is one bit of news that many of the Rich and powerful would deny. For it would be told to all who listen to them that after all can they not buy anything they wish?

### **Jas 5:1-3**

**(1) Go to now, ye rich men, weep and howl for your miseries that shall come upon you.**

**(2) Your riches are corrupted, and your garments are motheaten.**

**(3) Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days.**

### **Rich is in! Ungodly, Rich, Powerful**

Of course they can, i.e. buy their way out! In the world we live in, Rich is in! Today we have more billionaires it seems than any time period before. But if we just limit this to millionaires then we can definitely say rich is in, especially in China. In June of 2014, the [Boston Consulting group](#) did a report on Global wealth. The report which was its fourteenth annual report is considered the journal of trust here. So much so it seems that even the Wall Street Journal did a story on it and the information was shocking, unless you really consider what has gone on in

America for a very long time. Jobs have left, manufacturing evaporated, and the middle class has gone missing in action! The result of all this was that China has now more millionaires than any country in the world but the US. Again, this should not be surprising since companies like Walmart, Kmart, Sears, Target, and many others all left the unfriendly business climate of America for China. It made the communist country rich and its citizens [some of them] very wealthy.

***China had 2,378,000 millionaire households in 2013, a rise of 82% from the previous year and almost double the 1,240,000 millionaire households in Japan, according to the Boston Consulting Group [Global Wealth 2014 report](#) unveiled on Tuesday.***

***China's millionaire population is now the world's second-largest, trailing only the U.S., which boasted 7,135,000 millionaire households in 2013. [Wall Street Journal](#)***

Now it is not the fact that the rich are targeted here. There are many warnings on riches in general found in the bible. But living in America I know and see on a daily basis the trappings of a rich society like the USA. I can say with certainty that in the last 25 years the riches and the wealth have been escaping along with the businesses. It is true we have more millionaires in this country than in any other, but look at America. The problems are systemic! Drug abuse, violence, gang shootings, violent crime, and other items fill the coffers in America making it a place that is just above chaos in many areas. Race is dividing the nation, immorality is rampant, and things are getting so bad that the rich are now considering leaving!

### **Super elite! Ungodly, Rich, Powerful: Hideaways.**

Will the Ungodly, Rich, Powerful, Escape America and be safe during catastrophe or even from God's judgment? Well if you consider a phrase "Super Elite", this phrase has hidden in it, political clout, financial clout, and the power to go with it. George Soros move over. While Soros spends his money and time backing groups that work to funnel chaos and walk the Soros line of change; the Elitists who watch the chaos are uncomfortable. Even Soros has gone on record saying he is getting use to "Playing God"! We mentioned this in other articles on our sites. Yet for a guy who is an atheist, George Soros now is violating his own principles of unbelief in a super power like God. That is unless you are god like Soros, then no worry! Or so he may think! This maybe just one clue as to what the super-rich and elite actually believe.

The one lie that is a truth to them, which says "I can buy my way out of trouble, my gold, silver, and all other assets will save me during the worst of times." This includes any foretold judgment of God. Those who warn about such things are nuts to many in the world, not just the Rich elite.

***A former hedge fund director, who now heads up the [Institute of New Economic Thinking](#); a liberal New York City based think tank warned the world of trouble to come. Speaking at the World Economic Forum in Davos, Robert Johnson said:***

***"I know hedge fund managers all over the world who are buying airstrips and farms in places like New Zealand because they think they need a getaway." [Robert Johnson warns Davos](#)***

I find it not a bit surprising that Donald Trump got elected by the citizens who were fed up with

the Washington DC bureaucrats of fat cat political pundits and elected officials who get richer and yet never do solve any problems of the country. If anything gets solved it is because the right spot was rubbed by those who want something from DC.

## **Chaos! Ungodly, Rich, Powerful: Civilization.**

It is exactly the kind of thing elitists don't want, those like Soros who go on his own agenda. His hatred for America, American society, and the middle class has been written in many articles and reported on. The agenda of Obama was fueled, pushed, and created by Soros. His money and wealth does as he says, allows him to "play god"! When seeing chaos on our streets in America, think Soros and the global socialist. Chances are very high his money is involved in supporting those who riot, demonstrate in the streets, burn cars, break windows, and push anarchy. Even when you may not think Soros is involved, his organization and money is fueled through many levels of non-profits to those he wants to see follow his agenda. In this way Soros gets to play god!

***"Yet, what is one to make of a child who believed he was God?"*** [Canada Free Press on Soros](#)

***It is sort of a disease when you consider yourself some kind of god, the creator of everything, but I feel comfortable about it now since I began to live it out...*** [George Soros quote](#)

***It seems that Soros believes he was anointed by God. "I fancied myself as some kind of god ..." he once wrote. "If truth be known, I carried some rather potent messianic fantasies with me from childhood, which I felt I had to control, otherwise they might get me in trouble."*** [George Soros the God](#)

The trouble today is that many of the everyday American's cannot just run out and buy themselves a getaway, build an ark like Noah, or just pack up and leave because chaotic times have arrived. That is precisely what the mega-rich, super rich, the elitists of the world are doing. While you may see them in their ivory towers and busy making money, they either have already made arrangements just in case chaos hits, in the process of doing just that or they are doing it and denying it all the while.

## **Escape Doomsday! Ungodly, Rich, and Powerful**

In Manhattan the island where many New Yorkers have problems trying to figure out how to leave if sudden destruction hits. The company, Planbmarine.com has made all the arrangements. They take care of all the details and as the former Telecom execs say, they know a thing or two about having a Plan B since they had a business at "One World Trade Center, 90

John Street and 111 Eighth Ave”. They survived “9/11 without any down time” and as a result they state categorically, “Every Good Chief Executive Needs a Plan B”. As its website states:

***Every Good Chief Executive Needs a Plan B. Your job is to see to every contingency. Disaster recovery... business continuity... it's up to you to leave nothing to chance. You need to be prepared so that your company can continue to operate no matter what the situation. Systemic failure can leave you exposed though. A break down in the power grid disrupts communication and mass transit. It's how civilization is wired and it doesn't matter whether it started due to outdated technological infrastructure or as an act of sabotage or terrorism. You and your leadership team are left stranded while out on the street there's confusion and panic. You're isolated. Helpless. It's a nightmare scenario, but it doesn't have to be that way. Now there's a Plan B for catastrophic situations that you couldn't previously plan for. [Plan B Marine website](#)***

The only problem you may have is coming up with the \$90,000 dollars yearly to keep this unique evacuation service. For more detailed info go to their website or read this New York Post article on this [elite escape plan](#) that made the news! The fee is for the Top Exec's and right now this is for the Manhattan area. But there are other such services today for the rich, the elite, and the execs of the world. Sorry, but you need not apply, this takes money, period!

[Evan Osnos](#) is a staff writer for the New Yorker. He recently wrote an article titled “Doomsday Prep for the Super Rich”. Here he elaborates on those individuals who are prepping for a day that they see is inevitable, i.e. ‘Doomsday’ or ‘Day of Chaos’. He interviewed Steve Huffman, the 33 year old co-founder and C.E.O. of Reddit, worth a chunk of money around \$600 million dollars. Huffman does see a day that could bring a whole lot more trouble than what this nation has seen.

***“I think, to some degree, we all collectively take it on faith that our country works, that our currency is valuable, the peaceful transfer of power—that all of these things that we hold dear work because we believe they work. While I do believe they're quite resilient, and we've been through a lot, certainly we're going to go through a lot more.”---Steve Huffman, the thirty-three-year-old co-founder and C.E.O. of Reddit, which is valued at six hundred million dollars. \*[New Yorker Magazine, Doomsday Prep](#)***

## **[Apocalypse Insurance! Ungodly, Rich, and Power: Prepare](#)**

Evan further writes about what Huffman finds a common thing on Facebook. Here we find that Huffman's peers gathering on the social media site to swap survivalist tips.

***In private Facebook groups, wealthy survivalists swap tips on gas masks, bunkers, and locations safe from the effects of climate change. One member, the head of an investment***

***firm, told me, "I keep a helicopter gassed up all the time, and I have an underground bunker with an air-filtration system." He said that his preparations probably put him at the "extreme" end among his peers. But he added, "A lot of my friends do the guns and the motorcycles and the gold coins. That's not too rare anymore. \*New Yorker article referenced, IBID***

Hoffman also related that "fifty-plus per cent" have some sort of "apocalypse insurance" when asked by Osnos about it. Motivated by fears and many by the election of Obama to office, this pushed the envelope. Now that Trump is in, another side of preppers has begun; these were the Obama backers and those who voted for him. In Trump they see an urgent need to prepare for the Apocalypse. The reason is Trump stands for the direct opposite of Barack Obama and his supporters.

***Larry Hall, the C.E.O. of the Survival Condo Project, a fifteen-story luxury apartment complex built in an underground Atlas missile silo. The facility housed a nuclear warhead from 1961 to 1965, when it was decommissioned. At a site conceived for the Soviet nuclear threat, Hall has erected a defense against the fears of a new era. "its true relaxation for the ultra-wealthy," he said. "They can come out here; they know there are armed guards outside. The kids can run around." \*New Yorker article referenced***

In the end, while many observe that it is great to live in a society where you can find everything you need at your fingertips; civilization is coming to a crossroads of chaos and destruction. This is evident not only by the elitists who I have referenced here but by scripture itself and the prophetic fulfillment of it. But the key word here is isolation.

We find that in the "remote places of the earth" states an AP article on a finance-commerce site; these have "finally reached an advantage". It is precisely places like "New Zealand" because its isolation has long been considered the "Achilles Heel". But today due to the many "terror threats" and attacks, not to mention the "2008 global financial crisis" along with the "political uncertainty" the isolated areas are welcome. In short, it is exactly the hard to reach places that the mega rich want to go and buy up land to create themselves a private safe haven from all the destruction and chaos that many see are coming.

***"The thing that was always working against New Zealand — the tyranny of distance — is the very thing that becomes its strength as the world becomes more uncertain." Hong Kong based financier Michael Nock who has a [retreat in New Zealand's Queenstown](#).***

**No Delivery Now! Ungodly, Rich, and Powerful: Riches will not deliver.**

When Warning society about their sins and abominations they commit, it is clear; “their riches will not deliver them from Gods judgment”! This means America will not deliver Americans; neither will any other nation be able to deliver their people from the judgment of God. This is a scriptural fact, a biblical point, and one that many preachers and prophets have warned about. You cannot elude the judgment of God.

In fact there will be a remnant of people who somehow are still alive during the end of the tribulation. We find them in caves of the mountains and rocks during the most traumatic time of tribulation which will hit the earth. They become frightened, literally to death and say to the same mountains and rocks “fall on us”! Their effort will be to hide from the “Wrath of the Lamb”!

***Those with riches will hid in the caves of the rocks and mountains trembling with fear, saying to the mountains and rocks “fall on us and hide us from the face of him that sitteth on the throne and from the wrath of the Lamb”! From Rev 6 KJV***

#### Rev 6:12-17

(12) And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;

(13) And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.

(14) And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

(15) And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;

(16) And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:

(17) For the great day of his wrath is come; and who shall be able to stand?

It is here that whether you believe scripture or not will make a difference on how prepared you are. The best preparation you can make is to repent, receive the Lord [see John chapter one]; then you must be born again of the Spirit [see John chapter three]. Then you must continue to have faith, keep his commandments, and walk in his ways. You may laugh here, but the truth is not funny! The truth is that whether you believe or do not believe; all will stand before the Lord God on the Day of Judgment. Christians are those people who have made spiritual preparations to meet the Lord. As a result, they will not be hurt of the second death. But even Christians need to take note, there is the judgment seat of Christ; he will judge his people and his church! Whatever you sow, you will reap!

Now I also want to add we have directly been speaking about the Ungodly, the Rich, and the Powerful; global elites who are preparing for the massive breakdown of society. The article

excerpts above do not deal with the final judgment, which I alluded to above. Not all people who have money or wealth are wicked nor act in these ways. There are people who are Christians and have money. For example, a business owner I know is a Christian. He has since sold his business, but we have talked openly about what was coming to America. He was a fine businessman and a good Christian. My wife knows him as well and we both know of this Christian qualities and how he used his business as a ministry to literally help others. So be sure that one shoe does not fit all here. The difference is faith, dedication to Jesus Christ, and a daily walk with him.

### **As a thief, so judgment comes upon all!**

When looking for biblical examples of Gods judgment you need go no further than the prophets. What follows are short excerpts from Ezekiel and Zephaniah. They describe the Judgment of the Lord. The Jewish prophets were in your face and on the land where you resided. They would not give in, give up, or quit giving the message. Ezekiel says directly to Israel that the end is come “upon the four corners of the land”, i.e. from everywhere! It is here that we find the prophet also saying “they shall cast their silver in the streets, and their gold shall be removed”! On this Day of Judgment the riches are of no use! It is in your face, the Prophet Ezekiel says “your gold shall not be able to deliver you”! The judgment on the land, the judgment on the people, and the captivity which will follow is going to happen. Your riches will not stop nor slow down as the judgment is set.

It is the same way today, in the short term those with money can literally buy their way out of trouble. But this trouble coming is not like World war Two, World war One, or like the terror of ISIS, nor like any other trouble to date. While even in America the rich and the elite will find safety of some foreign place that is isolated or maybe underground or even in the mountain hideaway they have built; the truth is, the trouble is greater than their ability to stay safe. There is no place safe, no mega fortress so great, and no cave so deep that Gods judgment will not find them.

You can bank on this, you can be certain that Gods hand of judgment will never stop nor be relieved until it has fulfilled all the Lord God has spoken it should accomplish. In America this means chaos and trouble so severe that even the Civil war will be no comparison. I speak here directly to you Americans, repent now! You can laugh now, but your nation will never be delivered from the wrath that is coming. This does not mean it is coming soon, nor later; but it will come on a day you are not watching for it. As a thief in the night comes; so this will arrive!

### **Eze 7: 2-3; 18-19**

(2) Also, thou son of man, thus saith the Lord GOD unto the land of Israel; An end, the end is come upon the four corners of the land.

(3) Now *is* the end *come* upon thee, and I will send mine anger upon thee, and will judge thee according to thy ways, and will recompense upon thee all thine abominations.

(18) They shall also gird *themselves* with sackcloth, and horror shall cover them; and shame *shall be* upon all faces, and baldness upon all their heads.

(19) They shall cast their silver in the streets, and their gold shall be removed: their silver and

their gold shall not be able to deliver them in the day of the wrath of the LORD: they shall not satisfy their souls, neither fill their bowels: because it is the stumblingblock of their iniquity.

## Judgment upon God's own

Zephaniah describes judgment when Judah sinned grievously against the Lord

You can literally find many, many scriptures of the judgment of God. While we can find these, let me tell you about this prophet's warning. This time we speak of Zephaniah who warns of the "great day of the LORD", which he says "is near, it is near, and hasteth greatly"! He was addressing Judah who had sinned grievously against the Lord. But the issue here is that there is a Day of the LORD! It can happen nationally like upon Judah, or locally upon Babylon or Sodom, or globally upon the nations as well. So we speak of the Day of the LORD, we are also letting you know there is one more, one greater, and one that you will not bypass. That is the Day of the LORD, the Great Day, and the White Throne Judgment of God. But before all this happens, there will be a global onslaught of wrath, called the Great Tribulation that will occur on all men and all nations. You will not escape its influence.

When we speak of this kind of judgment it is so severe that even the "mighty" will cry bitterly! It is so bad, so horrific that it will be a day of wrath. Trouble and distress that has the companion of a barren waste land will be there. A complete desolation and the chaos will make it seem like a day of darkness without hope or the light of any goodness whatsoever. A gloomy day of clouds and thick darkness will hang over the land. For the trouble will envelop it like a shroud of hell that has no mercy, for the flesh of the people will lay upon the earth as dung and their blood will pour upon the soil like a devilish rain. Now these phrases are apocalyptic and many do not read them or consider their words. The descriptions are too dark and too upsetting to be believed. But here in the midst of all this deep dark metaphoric language is another warning. Speaking of the people and those who have riches, "neither their silver nor their gold shall be able to deliver them in the day of the LORD'S wrath.

The land and the people will be devoured by the fire of his jealousy, for it is their sins and failure to repent that brought this upon them. The Apostle Paul said in Second Corinthians chapter five and verse eleven "knowing therefore the terror of the Lord, we persuade men"! There is a terror that will find those who do not repent before the Lord. Paul also said in Hebrews chapter twelve and verse twenty-nine "Our God is a consuming fire"! While he is full of mercy and grace, his judgment shall never sleep forever. He is righteous and those "Nations and the wicked who forget God shall be turned into hell"!

### Zep 1:14-18

(14) The great day of the LORD *is* near, *it is* near, and hasteth greatly, *even* the voice of the day of the LORD: the mighty man shall cry there bitterly.

(15) That day *is* a day of wrath, a day of trouble and distress, a day of wasteness and desolation, a day of darkness and gloominess, a day of clouds and thick darkness,

(16) A day of the trumpet and alarm against the fenced cities, and against the high towers.

(17) And I will bring distress upon men, that they shall walk like blind men, because they have sinned against the LORD: and their blood shall be poured out as dust, and their flesh as the

dung.

(18) Neither their silver nor their gold shall be able to deliver them in the day of the LORD'S wrath; but the whole land shall be devoured by the fire of his jealousy: for he shall make even a speedy riddance of all them that dwell in the land.

## **Judgment: The Righteous and the Unrighteous**

In the two scriptural examples above we can say that if God judged his own people, sending them into captivity, destroying Jerusalem, the Temple, and carried all away; then beware if you fail to heed the lesson. God will not let you do as you please forever, one day you will stand before the Judge of all Heaven and Earth; the one who will judge all men and women is Jesus Christ, Yeshua Ha Massiach. This includes even the mega rich, the mega powerful, and the mega ungodly; but take note here; he will also judge all men!

Do not bypass the following scriptures that have lifesaving truths in them. While the Gold, Silver, and riches of those who live in the earth are important to them, there is something else more important. The most valuable possession you have is that of your soul and the truth of the everlasting Spirit and soul. It is here in the daily lives and routines we live that this is usually blotted out by the affairs and passions of this life.

Let me again say, while the Rich and powerful addressed in this article may indeed get away from events and chaos which occurs; they will not get away from God. This may seem like a faraway event, but truth be told here; God is only far away as long as you are alive and his grace is still given to those on this planet. But even then, if God wills judgment where you are at, he will seem closer than you may ever have believed possible. Eternity is only far away as long as you keep breathing, so don't stop it, i.e. if you can help it.

This article is not intended to be a catch all, or a phrase all, or yet a scripture all answer that you may read. There is much more to add, more to address, and more to say. Yet for those Christians who really think they will not be around to see these things occur, take note here; do not be fooled by your own misapplication of the scriptures and believe that you will not see any of this.

When we speak of Gold, scripture uses it to define the "Trial of your faith" and how it is more precious than Gold which perishes. It is certainly true that as Peter says you are redeemed by the "blood of the Lamb" and not by Gold or silver. In fact, our Lord when addressing the Laodacian church; who said they were "rich and in need of nothing", did not know how much in trouble they really were. The solution was for this church to be ready to be "Tried in fire", i.e. they had better be ready for tribulation and trouble. This would drive the error and the problem out of their soul. In other words, persecution and trouble drive Christians to their knees and in that time appointed, it draws them near to their Lord and certainly to repentance.

## **Gold Perishes: The Trial of your faith more precious**

Peter speaks of the gold that perishes and compares it to the "trial of your faith", the believers going through tribulation and trial; purifying their faith.

Peter says to the believers, you were not redeemed by Silver or Gold; but by the blood of the Lamb, so that “your faith and hope might be in God”; certainly not Gold!

### 1Pe 1: 5-7;18-21

(5) Who are kept by the power of God through faith unto salvation ready to be revealed in the last time.

(6) Wherein ye greatly rejoice, though now for a season, if need be, ye are in heaviness through manifold temptations:

(7) That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ:

(18) Forasmuch as ye know that ye were not redeemed with corruptible things, *as* silver and gold, from your vain conversation *received* by tradition from your fathers;

(19) But with the precious blood of Christ, as of a lamb without blemish and without spot:

(20) Who verily was foreordained before the foundation of the world, but was manifest in these last times for you,

(21) Who by him do believe in God, that raised him up from the dead, and gave him glory; that your faith and hope might be in God.

### Gold tried in fire: Laodacian Church

Gold is used in scripture many times to reflect the ideal of a trial, “gold tried in fire”, here directed at the Laodacian church. It means trial and tribulation, not deliverance from the judgment. The purpose was to redeem the people through the fire.

### Rev 3:16-18

(16) So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth.

(17) Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:

(18) I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and *that* the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see.

Although Revelation addresses the Trumpet and vial judgments among other prophetic events which will occur, the purpose is redemption and the arrival of the Lord Jesus Christ. But in this section below we find plagues that kill 1/3 of mankind and yet they do not repent of their sins, and many other things which they do. Here we find three word phrases: “Killed by the fire”, “by the smoke”, and “by the brimstone”, prophecy using this in Revelation suggests this describes death by Nuclear holocaust. Make no mistake when the Lord does come, he will “destroy those who have destroyed the earth”! It is time to understand your gold, silver, houses, land, and all

your preparations in the final analysis will not save you. Many will die, having not repented of their sins.

### **Plagues that killed 1/3 of mankind**

Verse 9 of this section says “men shall seek death but not find it”, here we find that the judgment is severe, the idols of gold and silver did not deliver them from judgment!

#### **Rev 9:15-21**

(15) And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men.

(16) And the number of the army of the horsemen *were* two hundred thousand thousand: and I heard the number of them.

(17) And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses *were* as the heads of lions; and out of their mouths issued fire and smoke and brimstone.

(18) By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.

(19) For their power is in their mouth, and in their tails: for their tails *were* like unto serpents, and had heads, and with them they do hurt.

(20) And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk:

(21) Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

Nevertheless, the choice is yours to make. That is, repent or not to repent by going to the Lord. But make no mistake here, for we confirm that in Revelation God judges the Great Whore of Revelation, the Beast, The False prophet, Mystery Babylon, and all those who follow them. Below we find the judgment on Mystery Babylon who is destroyed in one hour by the judgment of God. It is a sure sign you had better not think God is weak in this area. What his Word says, his Word means, and it is a sign for you to listen, to hearken, and to repent!

### **God Judged Babylon**

Here is just one section of Mystery Babylon which fell to Gods judgment, the gold and silver, among all other treasures she had did not deliver her or her people from this judgment.

#### **Rev 18:10-12**

(10) Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come.

(11) And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more:

(12) The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,

## **The Choice for you!**

**We ask the question again?**

**Will these escape?**

Will the Ungodly, Rich, Powerful, Escape America and be safe during catastrophe or even from God's judgment? NO!

But neither will anyone else. For all will stand before the Lord on that day!

The reality of eternity, eternal judgment is far away from the thoughts of many people. In addition, the idea or the concept that a day of tribulation upon the earth is also one that many dismiss. The choice no matter how distant is yours and yours alone. On the earth many wars have been fought over religion, and ISIS is the latest one since 2014 to bring another concept to bear, that of a worldwide caliphate under Islam. But the hope we have today is found in one name, one Lord, and one Savior. This is Jesus Christ; Yeshua Ha Massiach; the only begotten Son of God and our Father [who is the God of Abraham, God of Isaac, and the God of Jacob].

### **The Dead: Rev 20:11-15**

(11) And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them.

(12) And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is *the book* of life: and the dead were judged out of those things which were written in the books, according to their works.

(13) And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works.

(14) And death and hell were cast into the lake of fire. This is the second death.

(15) And whosoever was not found written in the book of life was cast into the lake of fire.

### **Salvation: Rev 7:9-14**

(9) After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands;

(10) And cried with a loud voice, saying, Salvation to our God which sitteth upon the throne, and unto the Lamb.

(11) And all the angels stood round about the throne, and *about* the elders and the four beasts,

and fell before the throne on their faces, and worshipped God,

(12) Saying, Amen: Blessing, and glory, and wisdom, and thanksgiving, and honour, and power, and might, *be* unto our God for ever and ever. Amen.

(13) And one of the elders answered, saying unto me, What are these which are arrayed in white robes? and whence came they?

(14) And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb.

## Jesus Christ shall judge all men

There is no secret which shall not be known, nor any sin which you will hide; the gospel of Jesus Christ provides shelter for you and power to live for him. You are safe from the second death! Here let it be known that our Lord Jesus Christ, Yeshua Ha Massiach is the Almighty one who shall judge all men. It is here between life and death; heaven and hell, that we reside in a temporary life which is over like the lilies of the Valley; here today and gone tomorrow. We live in a time today when the end of days and the fulfillment of prophecies will come to pass. It is important to be prepared and the one and only savior there is, the only begotten Son of God, Jesus Christ. As he told the Jews, "If you believe not I am he, you will die in your sins"!

## Rom 2:16

(16) In the day when God shall judge the secrets of men by Jesus Christ according to my gospel.

## Jesus Christ the Almighty

All kindred's of the earth shall wail because of him and every eye shall see him, even those who pierced him. It is exactly this that will cause all those on the earth to become actually catatonic. These people will go ballistic when they see that the Savior and one Lord who is our Almighty one; the Greater Son of David, the Great I AM, and the Alpha and Omega; is the one they have rejected. This will occur and today we warn, teach, and preach to bring all those who will hear to the truth.

## Rev 1:5-8

(5) And from Jesus Christ, *who is* the faithful witness, *and* the first begotten of the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood,

(6) And hath made us kings and priests unto God and his Father; to him *be* glory and dominion for ever and ever. Amen.

(7) Behold, he cometh with clouds; and every eye shall see him, and they *also* which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen.

(8) **I am Alpha and Omega, the beginning and the ending,** saith the Lord, which is, and which

was, and which is to come, the Almighty.

## **I come quickly, my reward is with me!**

The comfort here is only for those who know the Lord, for if you know him not; he will be your enemy. He is not coming to die on the cross again. He is not coming as the suffering servant! He is the Word of God, he which was dead and now is alive. He has the keys to death and hell. His reward is with him and to all those who are his, he will redeem. To all those who have rejected him, to all his enemies, and to all those evil principalities and powers; he will bring under his feet at this time to destroy them. While he defeated all these at the cross, Gods mercy and grace has been in action since then. But the time is coming when mercy and grace are ended and judgment of those who have rejected him will begin. As well, to those who are his, let it be known, "He comes quickly, his reward is with him and he will reward you for your faithfulness".

He also will reward others according to whether they are unjust, filthy, righteous, or holy.

Again, the choice is yours!

### **Rev 22:11-17**

(11) He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still.

(12) *And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.*

(13) *I am Alpha and Omega, the beginning and the end, the first and the last.*

(14) Blessed *are* they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

(15) For without *are* dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.

(16) *I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star.*

(17) And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely.
