## Shadows of Things to Come

We are in the preceding weeks leading up to the fall feasts. Let me remind you that the Day [Yom] of Trumpets [Teruah], of the blowing of Trumpets as a memorial is fast approaching which will lead in the fall scheduled holy days and feasts. Today it is known as Rosh Hashanah. From the First day of the month, in this case October; to the tenth are the high holy days. On the Tenth day [Yom], you will have a solemn Day of Atonement [Kippur]. It is the holiest Day of the year in Israel, it is the time when a special biblical fast is called and all would seek atonement.

In the biblical times of the Torah and the Prophets the High Priest would make atonement for the Priests, who could then make atonement for the people and their sins by the sacrificial offerings and sprinkling of blood. These according to Numbers 29:39 are the ‘set feasts’ which were to be done. Also in this chapter you will find the offerings, burnt offerings, meat offerings, drink offerings, and peace offerings in regard to the feasts. The point is, although Israel strives hard to keep the law and all that this entails, they have no temple and no ongoing sacrifices. In order to be fully compliant with the law, they must be making these offerings and sacrifices. What this means is that the first order for Israel will be to rebuild the temple, which many are pushing to do in Israel.

### Num 29:39

(39) These *things* ye shall do unto the LORD in your set feasts, beside your vows, and your freewill offerings, for your burnt offerings, and for your meat offerings, and for your drink offerings, and for your peace offerings.

Then following these High holy days will be booths, called the Feast [Chag] of Tabernacles [sukkah, sukkot]. The importance of feasts and holy days cannot be under estimated, nor the fact that today Jesus Christ, Yeshua Ha Massiach has fulfilled these feasts. In our studies we have covered this yearly. However as we do enter into these feasts let also point to what we consider very prophetic events.

### ***Tetrad of Past Blood moons:***

Moreover we have gotten through the ‘Tetrad of four Blood Moons’, which we covered extensively in all the feasts from 2014 to 2015. Basically we had two blood moons in 2014 and two blood moons in 2015. These blood moons occurred during the feasts; in spring and fall of both years. It was during the 2014 blood moons that ISIS moved through Syria and into Iraq. It was during these blood moons that we saw more Christian bloodshed at any time in recent memory. It was unprecedented. However, we also saw not only Christians, but Yazidis, Muslims, and other minorities suffer at the hands of ISIS who was an Ottoman inspired Caliphate group. While Israel did not get hit in a major way by ISIS they had troubles in their own right within their own nation.

Today we have Turkey, America and her coalition, Russia, Iran, the Syrian democratic forces, the Kurds, Assad's forces, the Islamic groups who oppose Assad, and ISIS. All of these groups have been battling in Syria. Then add Iraq and those fighting there then you have an idea of the war going on. In the meantime, Europe has been flooded with refugees and the problem this has caused is catastrophic. America under Obama's watch has brought in thousands of Islamic refugee's and with very few Christians among them. The government has forced them upon US cities and states with no option but to accept them. Although the Congress moved to block Obama's move, it failed.

According to **CBN**, the "official count for the fiscal year reached 10,801 Syrians into the US, but among these are only 56 Christians." In addition, One million Christians have fled Syria but more than 98 percent of those allowed into the United States this fiscal year are Sunni Muslim, the largest Islamic sect in Syria comprising 74 percent of that population. In addition in the five years since the start of the Syrian civil war only 100 Syrian Christians have been allowed to enter the US under Obama's watch!

The answer to this dilemma as to why so few Christians are allowed in is obvious. Obama and his minions are Islamic and the push is to create an Islamic sharia state in America by virtue of social engineering via an Islamic flood into this country. Make no mistake this Islamic flood into Europe will certainly change the demographics there. In the process will come more anti-Israel and anti-American policies brought by the changing Islamic demographics there. In the process we will see changing laws, and making it something it was never intended to be. On the agenda most certainly will be Islamic, Sharia, and anti-Israel changes!

*But so far, the genocide declaration has not changed the number of affected minorities allowed into the United States. In addition to receiving only 52 Christians this fiscal year, the government has only admitted 14 Yazidis and 20 Shi'a Muslims into the country (official figures released before the Monday arrivals).*

*The Obama administration has yet to announce its goal for next year, but immigration observers expect the number to be set at 20,000. Democratic presidential candidate Hillary Clinton says she'd like to see the number increased to 65,000. \*\*Source IBID*

However, the American Center for Law and Justice, led by Jay Sekulow who is chief counsel, has filed a lawsuit against the U.S. State department over what it calls the departments "inaction on genocide". This is due to the fact that under Obama's watch the Christians allowed in is few and far between.

*"We think right now the answer is zero," Sekulow said on the program. "That's why we're in federal court, and that's why we're fighting back because, folks, Christians are dying by the moment and others."*

### ***End time Islamic Agendas and America:***

It has been during this period of the war, in which ISIS has brought to the nations a true division. On the one hand we see the Gentile nations lining up to fight ISIS. On the other hand we have now two distinct Islamic theologies battling for the end of day's world rule as they believe it to be. We have the Sunni Caliphate of ISIS who has vowed to fight and bring in such a world caliphate. Then we have Iran who will according to their own beliefs bring in the Mahdi to rule. Iran believes that they are the chosen nation to do this.

At the same time of ISIS and the two Islamic theologies regarding the end of days Islamic rule; we have America. This nation with Barack Hussein Obama at the helm has led the nation these last eight years. He has worked to open up our borders, to bring in many Muslims, and to push an anti-Israel policy. This policy pushes the Arab point of view and holds Israel to the knife so to speak. It is no secret that Obama and Netanyahu have been at odds over many issues. Today many see an anti-Israel Obama and policies aimed at the Jewish state. Then add in the Obama push with other nations to make nice with Iran and trouble is brewing.

Now understand all this chaos began during the blood moons. Blood moons in regard to biblical prophecy and Israel means these are items that affect Israel as well as Christians. America is being prepared for her role in the world as the beast draws near to rule the world. Islam is being used as a tool to bring the world into chaos for his arrival as well.

### ***Both legs of Islam now prepared for end of days***

Not only do we have ISIS in the mix as well as other Islamic groups, but through Obama's policies Iran will get the bomb! All of this will affect both America and Israel, not to mention the entire world.

This adds a whole new item on the agenda. Now the push to make sure Iran doesn't have nuclear warheads or missiles is out the window. It is assured that within 15 years they will be able to have nuclear warheads. But as we have pointed out, evidence is there that Iran has the capabilities to build a [Nuclear weapon](#) before that time. In addition they received the ability to flood the market with oil, and have pushed their limits in the straits of Hormuz and the oil shipping lanes. Iran now after the Obama deal has gotten billions of dollars and an open path to having a ready-made Nuclear weapon and warhead. In addition they have been harassing American ships in the Strait of Hormuz. They want America out of the region, so much for being friends with Iran. In fact, a recent story by [Breitbart](#) addressed this and also quoted Iranian Gen. Hossein Salami who said that the "Islamic republic will close the Strait of Hormuz to the United States if the U.S. chooses to threaten it".

If Iran hits Israel and causes tremendous damage, the guilt will in part be upon America and the shoulders of Obama who pushed this agreement with Iran. To believe that we could trust Iran is foolish. The whole of the world is heading, whether you like it or not into the cataclysm of World War three and the fulfillment of biblical prophecy.

### ***The Temple to come:***

The Temple is important not only to the Jews who want to rebuild the temple, but to the 'Son of Perdition'. In Second Thessalonians chapter two, it says that this deceiver will come "opposing and exalting himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God." This is a paramount prophecy by the Apostle Paul. This Temple must be a house of God and one that the Jews would see as the true House of God. This can be only one place, the Third Temple which will be rebuilt. It cannot be the church at Rome, nor some Christian church, and certainly not a Mosque. This prophecy and it's fulfillment is aimed at the world which does not believe and also will include the Jews at the time who will see their temple taken as in the time of Antiochus Epiphanes who fulfilled the role of the abomination of desolation spoken of by the prophet Daniel. Many believe this will occur; the difference is to where and when the Temple will be built.

### ***The Temple Dispute***

It is a fact that Israel has many Jews who want a Temple. While many believe that such a Temple would have to be on the Temple mount, this location is also in dispute. One of the main supporters who works to bring the Temple into fruition is the Temple Institute founded by Rabbi Yisrael Ariel who is the head of the institute as well. He served in the paratrooper brigade which liberated the Temple mount in the Six Day War. They work to build the Temple in their time, as well as, to make sure it is on the Temple mount.

*The Temple Institute (in Hebrew, Machon HaMikdash), founded in 1987, is a non-profit educational and religious organization located in the Jewish quarter of Jerusalem's Old City. The Institute is dedicated to every aspect of the **Biblical commandment** to build the Holy Temple of G-d on Mount Moriah in Jerusalem. Our short-term goal is to rekindle the flame of the Holy Temple in the hearts of mankind through education. Our long-term goal is to do all in our limited power to bring about the building of the Holy Temple in our time. Source [Templeinstitute](#)*

However, many in Israel focus on the wrong site as to where the second temple was located. It was Dr. Earnest L. Martin who gives the site of the Temple in a different location as the Dome of the Rock. Dr. Martin researches the account of Josephus and places the true Temple not on the Temple mount as many believe but in another location. Although this location has its detractors, the fact that it has Josephus as a source along with meeting certain requirements also puts Dr. Martin's location as the true spot of the Temple. As it pointed out on the [Hope-Of-Israel](#) site "everyone admits David's city was located on the southeast corner of Jerusalem" which is a long way from the Haram walls. Dr. Martin locates the Temple to the "north of David's city" on "Ophel."

*The Temple was located on the northern summit, the Ophel, and David's City was on the southern summit called Mt. Zion. The lower land in between, called Millo, was raised up by Solomon who built his palace there. Hence Solomon's palace was very close to the Temple. Source [Hope-Of-Israel](#)*

The Lord said that not one stone shall be left one upon another, when referring to the temple. In this there would not have been any foundation, nothing left. The Wailing Wall, the very thing Jews pray and worship at, to be sure is not a portion of the temple. Nor is it a Jewish relic or site. It is not holy or sacred for it is the site of a former Roman fort built there. In addition we have a witness in Josephus who saw that the temple was in total ruin.

**Mat 24:1-2**

(1) And Jesus went out, and departed from the temple: and his disciples came to him for to shew him the buildings of the temple.

(2) And Jesus said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down.

It is to this that the Base Institute in writing of the temple also points to the work of Dr. Martin and the true location of the former temple. They also write that the destruction of the temple was so complete that Josephus said Had he not of been there at the time “He wouldn’t have believed it ever existed.” The Lord said regarding the temple [& Jerusalem], “your house is left unto you desolate” in Mat 23:38 and Luke 13:35.

*Historian Flavius Josephus wrote that the entirety of the temple was indeed in total ruin and destruction after 70 AD. He went on to say that if he had not personally been in Jerusalem during the war and witnessed the demolition by Titus of the temple that took place there, he wouldn’t have believed it ever existed. In Josephus (Jewish Wars, VII, 1.1) it speaks of widespread destruction in all Jerusalem as well. Source [Baseinstitute](#)*

**Mat 23:38-39**

**(38) Behold, your house is left unto you desolate.**

**(39) For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the name of the Lord.**

However, in view of all this evidence the truth is that when the Lord comes, and he will come; he will sit in his Tabernacle, upon his Throne; as the Greater Son of David fulfilling all the prophecy given to King David about having a descendant on the Throne. In addition, this Tabernacle will be the Third Temple built at Jerusalem; which will be cleansed upon the Lords arrival.

Moreover, at the conclusion of the battle for Jerusalem and at the end of the tribulation; when it is finally over, all those left of the nations will be required to come to Jerusalem to hold Tabernacles. For the King will be on the throne, in his Temple; the Tabernacle and all will come to worship him there.

**Zec 14:16-17**

**(16) And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the LORD of hosts, and to keep the feast of tabernacles.**

**(17) And it shall be, that whoso will not come up of all the families of the earth unto Jerusalem to worship the King, the LORD of hosts, even upon them shall be no rain.**

### ***The eventual attack on Israel:***

One ministry we have had contact with in Israel, is Maoz Israel. Ari of Maoz Israel was finishing up an article for their Maoz Israel report; here is a quote that illustrates the dangers of those in Israel.

*As I [Ari Soruku-Ram Maoz Israel] finish this article, “breaking news” bulletins are coming over my iPhone. Israel Defense Forces Chief, Lt. General Benny Gantz, warns that the only nations in the world that have more powerful armies than Hezbollah are the U.S., China, Russia, France, the UK and Israel! - \*Israel’s Judean Hills blood moon prophecy*

*And, the General says, Hezbollah is gaining critical battle experience as an ally with Syrian President Bashar al-Assad in the terrible war in Syria. Hezbollah and Iran are developing a radical Islamic axis with jihadists coming from all over the world.*

*In fact, Lebanon, Syria and Gaza have 170,000 rockets poised at Israel, and terrorists are adding GPS-based guidance systems to their rockets.*

I interviewed Ari many years ago on Warn Radio and in that interview I asked him about how they coped with the danger surrounding Israel. He said ‘we can’t do anything about those who want to destroy Israel, but we can do something about winning Israel for the Messiah’. So they purposed to work, live, and be at the Lords business. If the day comes, well they will believe the Lord. Ari said that they believe God is preserving Israel for the great “day of salvation” when “all Israel shall be saved”. They believe what is written, “He promised”; so they find comfort and solace in that. While everyone who reads prophecy and understands that the nations pose a threat to the nation of Israel living with such danger is a constant. During the blood moons, however; the blood flowed throughout the Middle East surrounding Israel. Israel had many problems of her own however, but in the end there was no invasion.

The real item here is that Israel is full of people who believes the Lord God will deliver Israel; both Messianic believers in Yeshua and Israel itself. All know that a war is coming. In fact, Iran, Hezbollah, the Gaza strip, and ISIS are preparing to attack Israel.

Moreover, Jerry Golden, a messianic Jew and his wife with a ministry to bring European Jews to Israel; mentions in his latest article of the threats. He says “there seems to be no end to the threats of war”. This he said referring to those lining up on Israel’s northern and southern borders. “Hezbollah, the Syrian Army, and Syrian Democratic forces”, he says are being “armed by Russia and Iran” and are gathering near the “Golan Heights”. In the south there is a “large build-up of ISIS and Hamas from Gaza in the Egyptian Sinai training and arming”.

Their purpose and goal is to destroy Israel. So while we are finished with the ‘blood triad of moons’ from 2014-15; we believe it to be a sign of the end of days and the prophecies which all converge on Israel at Jerusalem. It is during these feasts that we see the prophecy coming to light and the shadows of things to come. However the war with Israel this next time will be comparable to the “Second World War” according to Jerry with “Lebanon, Iran, Syria”, and help from Russia who will be involved. It will be far more crippling, destructive, and virulent than any previous war Israel has had before.

**Zec 14:1-3**

(1) Behold, the day of the LORD cometh, and thy spoil shall be divided in the midst of thee.

(2) **For I will gather all nations against Jerusalem to battle**; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city.

(3) Then shall the LORD go forth, and fight against those nations, as when he fought in the day of battle.

### ***Jerusalem surrounded:***

A travel site describes the hills surrounding Jerusalem. Known as the Jerusalem Hills, they describe it as a region that vies for the description of the Israeli Tuscany. Unlike the original, however, the Jerusalem hills offer many secrets from a deeper past as well as fascinating nature sites and tremendous beauty all year round. Simply put, it is this region which is so fought over that Israel will make her last stand and the event at which the Lord will come again.

*As their name indicates, the Jerusalem hills are a hilly region in the Judean mountains, with Jerusalem nestling in the middle. Seven long extensions of these hills stretch toward to the coastal plain in the west and the Jordan Valley in the east.*

The signs of the end times are all pointing to Israel. Yet as they do, it was not understood many years ago how America could forsake Israel. Today we know the answer. Although Barack Obama has pushed the Anti-Israel agenda, there are many Christians who fully support Israel. Although our government has policies that fill our nation up with Sunni Muslims who are Syrian while not allowing in Christians who are Syrian is obviously pointed. It is intended that way. The warnings are everywhere in the Obama policies from Syria, to immigration, to refugee status, to Israel herself; America is no longer what she once was.

In addition, Barack Obama has brought to the table a new openness that begets filth in this nation. We are a corrupt, godless, and a hedonistic place where anything goes. The truth of what is right and what is wrong is obfuscated by the current policies pushed by the Obama administration. While being President he has pushed certain laws and freedoms that if he were in a Muslim nation, he would be the one in jail for crimes against the state.

You cannot look at Israel without looking at America as well. We have sided with, helped, and been friends with the Jewish state for a very long time. In fact, the Jewish presence in this country is very much an American historical note. We used to look at the Christian-Judeo values instilled in America. Now we have to look hard to find any!

One day as scripture mentions, Jerusalem will be surrounded. It is prophecy, it is judgment, and it is final. We have to believe that in all this, our God can and will deliver his people wherever they may be found. But when Jerusalem is surrounded and in the lineup of nations that come against Israel you find America, know that this will be day that America will be finally and fully destroyed and all vestiges of her will be removed from the earth. The only ones left will be those who are found in Christ Jesus, Yeshua Ha Massiach. For at this time the Lord will judge all nations and thus final indeed will be that judgment.

## **Coming of the Lord:**

There is not one shred of doubt that this generation will see the literal, physical, and final return of Yeshua Ha Massiach; Jesus Christ to this earth. There is no doubt that we will see the Millennium, the rule of the Lord and his saints during this time; when we will be Kings and Priests unto God. There is no doubt that in this group will be 'Male and female, Jew and Gentile'; all will be one in Christ Jesus!

*"They overcame him, by the blood of the Lamb; the Word of their testimony, and they loved not their lives unto the death" Rev 12:11*

While we are surround with death, mayhem, wars, and the whole end of days scenario; we have hope and in him we have love and peace. Let us look up for our redemption draws near.

No matter how dark the world is or the problems we face are difficult, we are overcomers in him, who died for us.

## **Scriptures for these end days!**

Joe 3:2

**(2) I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land.**

Zep 3:8

**(8) Therefore wait ye upon me, saith the LORD, until the day that I rise up to the prey: for my determination is to gather the nations, that I may assemble the kingdoms, to pour upon them mine indignation, even all my fierce anger: for all the earth shall be devoured with the fire of my jealousy.**

Zec 14:1-3

(1) Behold, **the day of the LORD cometh**, and thy spoil shall be divided in the midst of thee.

(2) For **I will gather all nations against Jerusalem to battle**; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city.

(3) **Then shall the LORD go forth, and fight against those nations, as when he fought in the day of battle.**

Zec 14:9-15

**(9) And the LORD shall be king over all the earth: in that day shall there be one LORD, and his name one.**

(10) All the land shall be turned as a plain from Geba to Rimmon south of Jerusalem: and it shall be lifted up, and inhabited in her place, from Benjamin's gate unto the place of the first gate, unto the corner gate, and from the tower of Hananeel unto the king's winepresses.

(11) **And men shall dwell in it, and there shall be no more utter destruction; but Jerusalem shall be safely inhabited.**

**(12) And this shall be the plague wherewith the LORD will smite all the people that have fought against Jerusalem: Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth.**

(13) And it shall come to pass in that day, that a great tumult from the LORD shall be among them; and they shall lay hold every one on the hand of his neighbour, and his hand shall rise up against the hand of his neighbour.

(14) And Judah also shall fight at Jerusalem; and the wealth of all the heathen round about shall be gathered together, gold, and silver, and apparel, in great abundance.

(15) And so shall be the plague of the horse, of the mule, of the camel, and of the ass, and of all the beasts that shall be in these tents, as this plague.

Rev 19:11-21

**(11) And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.**

(12) His eyes *were* as a flame of fire, and on his head *were* many crowns; and he had a name written, that no man knew, but he himself.

(13) And he *was* clothed with a vesture dipped in blood: and his name is called The Word of God.

(14) And the armies *which were* in heaven followed him upon white horses, clothed in fine linen, white and clean.

(15) And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.

(16) **And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.**

(17) And I saw an angel standing in the sun; and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven, Come and gather yourselves together unto the supper of the great God;

(18) That ye may eat the flesh of kings, and the flesh of captains, and the flesh of mighty men, and the flesh of horses, and of them that sit on them, and the flesh of all *men*, both free and bond, both small and great.

**(19) And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against him that sat on the horse, and against his army.**

(20) And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.

**(21) And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.**

### **Other Scriptures:**

**Deu 30:3 That then the LORD thy God will turn thy captivity, and have compassion upon thee, and will return and gather thee from all the nations, whither the LORD thy God hath scattered thee.**

**Isa 11:12 And he shall set up an ensign for the nations, and shall assemble the outcasts of Israel, and gather together the dispersed of Judah from the four corners of the earth.**

**Isa 66:18 For I know their works and their thoughts: it shall come, that I will gather all nations and tongues; and they shall come, and see my glory.**

**Jer 29:14 And I will be found of you, saith the LORD: and I will turn away your captivity, and I will gather you from all the nations, and from all the places whither I have driven you, saith the LORD; and I will bring you again into the place whence I caused you to be carried away captive.**

**Jer 31:10 Hear the word of the LORD, O ye nations, and declare it in the isles afar off, and say, He that scattered Israel will gather him, and keep him, as a shepherd doth his flock.**
